Subscription converted to new pricing

Hi Kim Wilcox,

As one of the administrators of the **HeatherGlen** community, we wanted to give you a heads up that we converted your community's subscription to our [new pricing](#) today, to prepare for your renewal.

We automatically selected a size of **125**, which is the smallest size tier that will accommodate the current number of approved accounts in your community (80).

If you have any questions, please don't hesitate to reach out to our customer success team by replying to this email.

Regards,
HOA Express
